

**Group Exercise – How to improve  
host country legal/policy  
framework for CDM  
Implementation?**

# Group Exercise

- Breaking out into 6 groups – preferably each group need to have a mix of participants across the region
- Choose a rapporteur for presenting the group discussions & recommendations
- Group exercise session – pointers on approach to group exercise
- Time frame- 60 minutes for exercise; 10 minutes for presentation from each group

# Pointers for Group Exercise

## Improving CDM Policy/regulatory framework

- Key question to ask:

***What are the main obstacles that a host country may face in attracting investments through the CDM mechanism?***

- Some examples:

lack of resources/capacity; foreign investment policies; lack of appropriate policies/regulations...Access to finance... Land issues;etc etc

Need to come up with a list of obstacles with brief explanation (1-2 lines)

# Pointers for Group Exercise

## Improving CDM Policy/regulatory framework

*What are the potential Recommendations and interventions needed to overcome the identified barriers ?*

- Some examples:

Capacity building; policy reforms; DNA responsibilities; CDM procedures....etc etc

The proposed recommendations needs to be briefly explained (1-2 lines).

# Pointers for Group Exercise

## Improving host country legal framework

Key question to ask:

**What features should a national legal regime have to support the full access to the benefits of the CDM?**

Some examples:

Capacity building in CDM legal issues; policy reforms; Institutional responsibilities; CER taxation; ....etc etc

The proposed recommendations needs to be briefly explained (1-2 lines).

# Pointers for Group Exercise

## Support or Initiatives from Host Country Government including DNA

**What are the most crucial aspects of a national CDM institutional set up, including the DNA and its procedures, to support full access to the benefits of the CDM?**

Some examples:

DNA Capacity building; Coordination between DNA & Stakeholders; Clear & transparent approval procedures; attracting FDI; ....etc etc

The proposed recommendations needs to be briefly explained (1-2 lines).

# Group Presentation

- Brief & Concise

∅ Preferably in a tabular format; For example:  
Improving CDM Policy/regulatory framework

Identified Obstacles/Barriers	Potential Recommendations/Interventions

Similar tables or presentation for legal & DNA aspects

**So...Lets Start the  
Brainstorming!!**
